

CONSTRUCTION & ROAD CLOSURE ALERT

LANE AND SHOULDER CLOSURES IN MERCED AND MADERA COUNTIES

ISSUED: AUGUST 22, 2018

MERCED & MADERA COUNTIES, CALIF. – The California High-Speed Rail Authority (Authority), in cooperation with geotechnical consultant, Kleinfelder Inc., announces lane and shoulder closures in Merced and Madera counties to conduct soil tests and underground utility identification work. This work is scheduled to begin Tuesday, Aug. 28 and last through Sep. 7.

This work is part of the preliminary design of the Silicon Valley to Central Valley High-Speed Rail Line. Exploratory borings and other tests will be conducted to help designers understand geologic and hydrogeologic conditions around proposed alignment alternatives currently under consideration.

A final alignment location through this area has not yet been selected, but will be chosen through a public environmental review process.
